As a thank you for your continued support of the OUR Generation Project, we are delighted to invite you to join us for Afternoon Tea.

We really value your opinions and feedback, and this event provides an opportunity for you to take part in a focus group to talk about your experience of the OUR Generation Project.

Come along and meet with key contacts who have taken part in our programmes, share your experiences and have your say on how we can improve.

We hope you can join us!
